We are making great progress!
The newly expanded museum is now open. The boat building and annex now house Lightning #1 and other historic Skaneateles-made boats in a dramatic display of local craftsmanship. We have also added a new interactive lake model featuring A/V clips of points of interest and history around the lake as a main entrance feature. Funds from this paver campaign will be used to add other displays, complete the front entrance landscaping and other important projects.

• The new front entrance includes these TRIBUTE PAVERS that we will engrave with your lasting tribute to a friend, family member, pet or occasion.
• There are two sizes: 4 inches by 8 inches or 8 inches by 8 inches.
• We will engrave the 4”x8” with up to 3 lines of 14 characters for a $125 donation.
• The 8”x8” will take up to 5 lines of 14 letters for a $200 donation.
• Please see reverse side for a form for the lettering on your paver.

• The new main museum entrance has been enhanced by the addition of these pavers leading up to the porch already covered by the “Building Blocks” purchased by generous donors. There is room for more alongside the walk.
• There are also a few more substantial “naming opportunities” still available.
• These are major contribution opportunities that will honor the donor by name for a specific museum section or project. (See reverse for listing)
